

Caruth & Bros Add to the Town of Dallas.

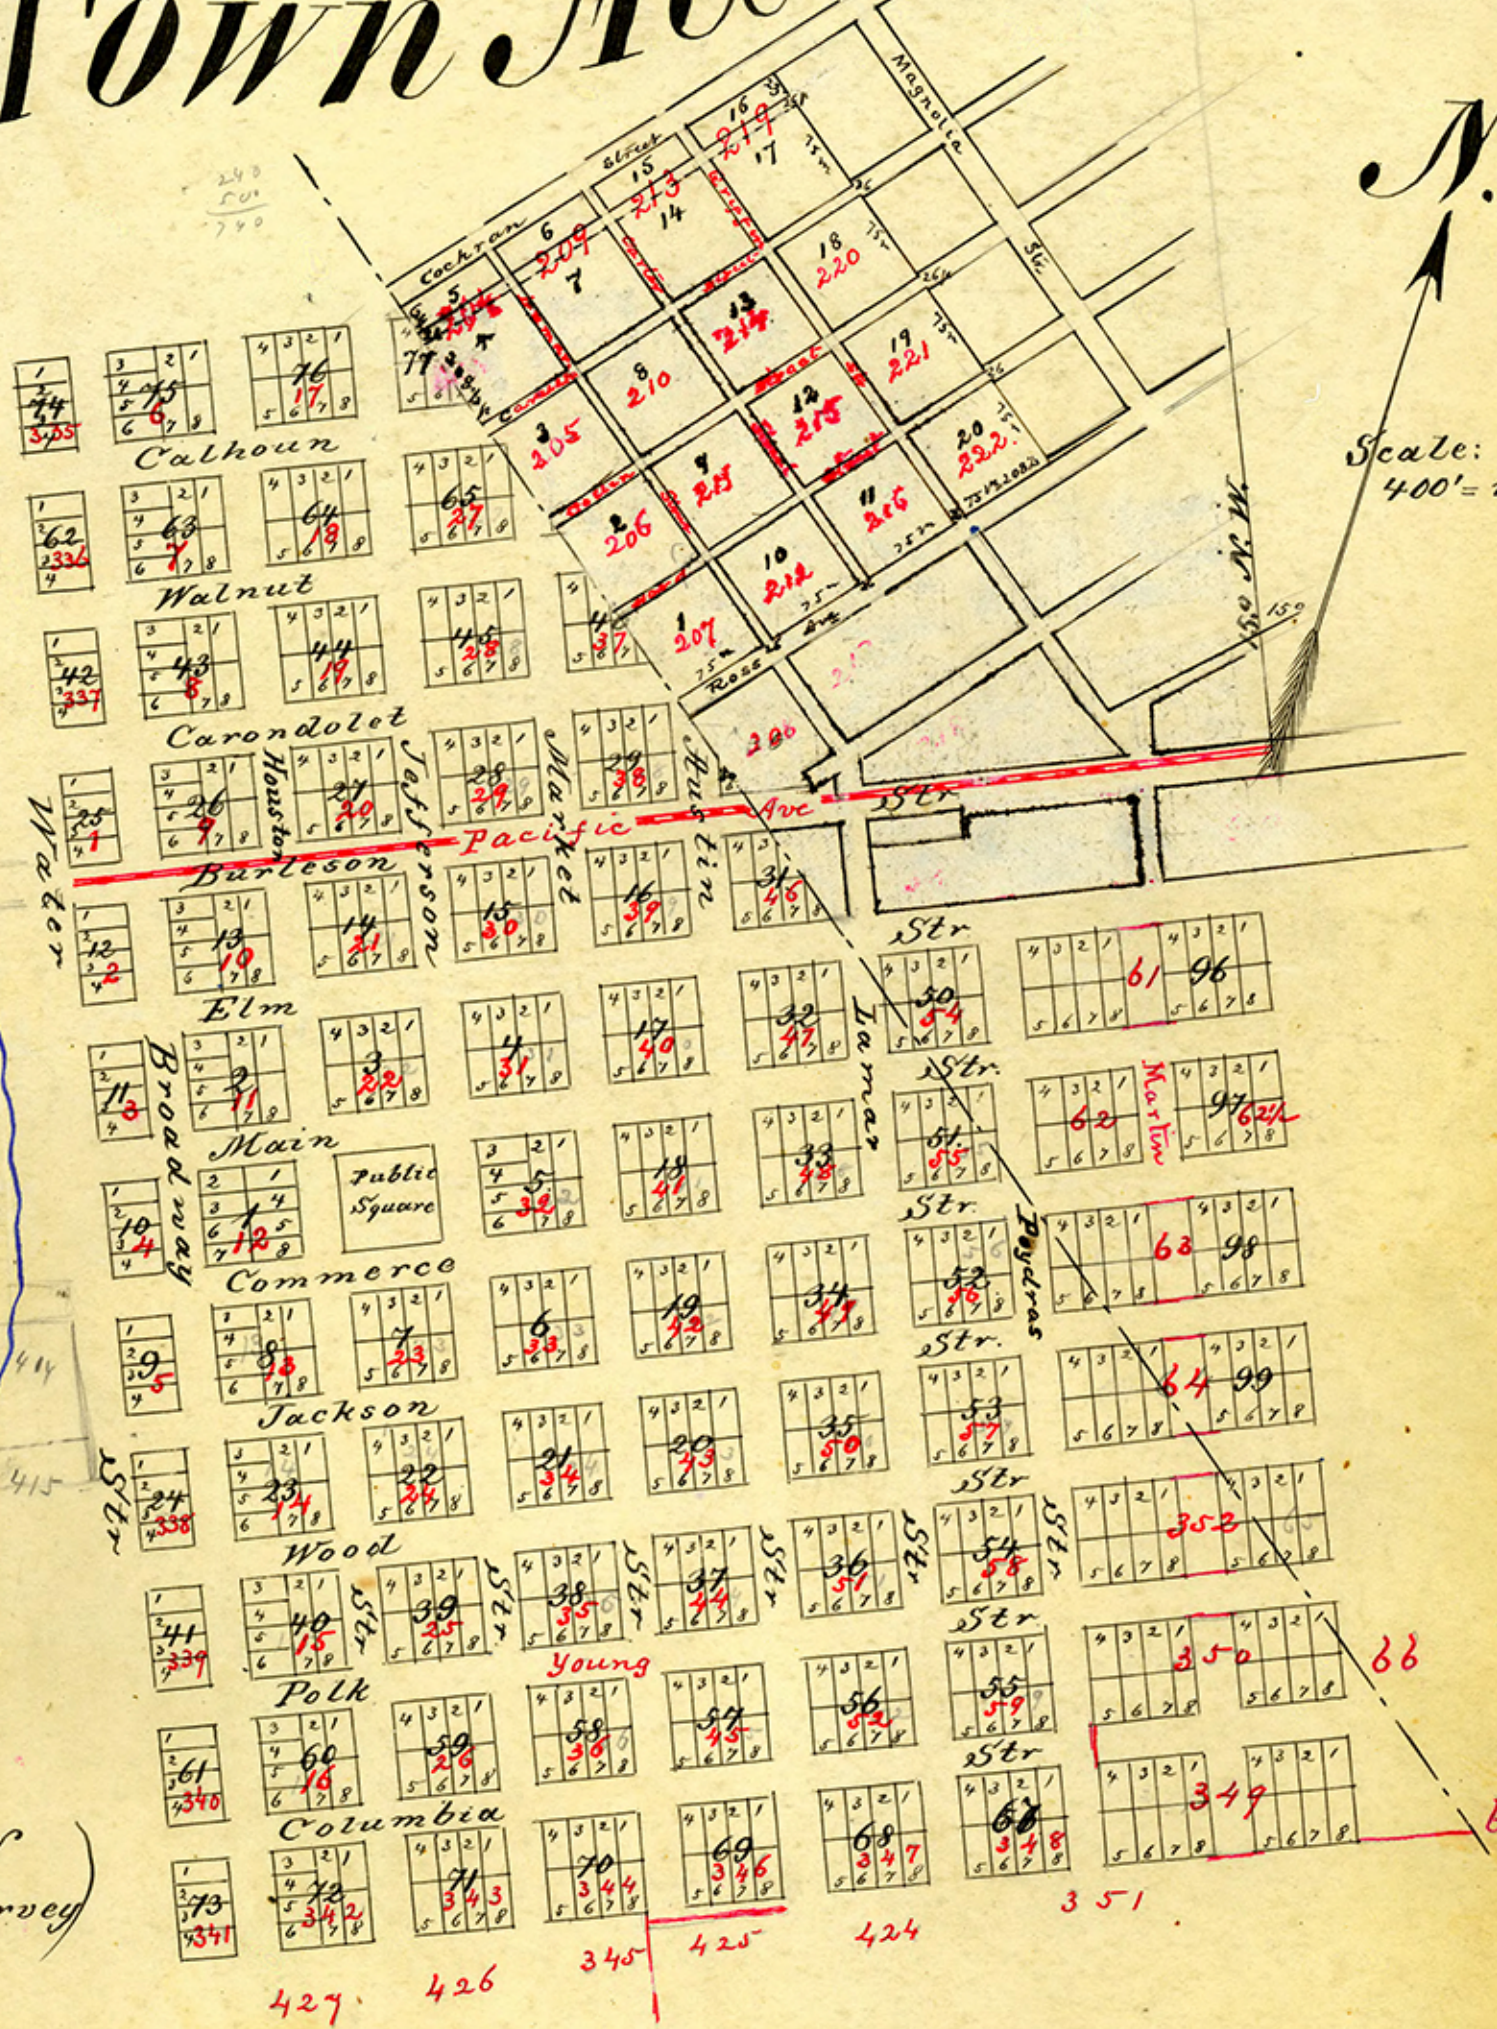

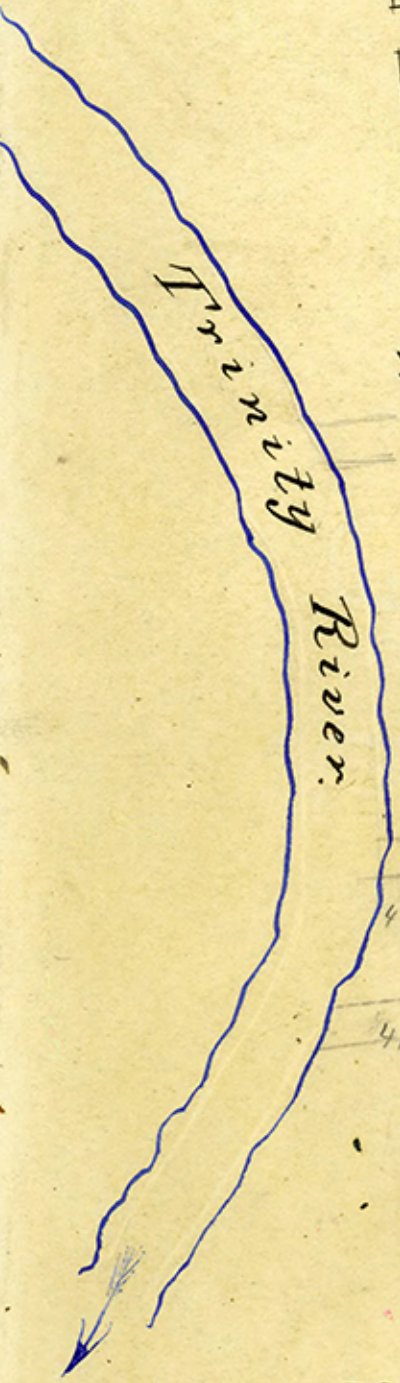

Filed for Record 15th June 1854, Recorded in Book II Page 312.

As recorded in the rough, the plot does not give names of streets. It was evidently intended, with the NW blocks to contain each 1 acre square, the NW tier to be each 23 x 75 m, afterwards absorbed into the adjoining tier of acre blocks, the plots to be 26 ft in width, afterwards increased from each side 12 ft 5 in, to 36 ft, the original SE line being 15 ft 15 in from the NW line of Ross Ave, the NW line being on the SE line of Cochran St.
