

Intonation Music Festival

Receipt #: 1958154

THANK YOU. YOUR ORDER IS COMPLETE! Please print a copy of this confirmation page and file it in a safe place. This confirmation is your receipt. You will receive an email confirmation for your records, as well. However, this page serves as your receipt if you do not receive your email confirmation in a timely manner.

Thank you for your order.

Will-call orders will be held at the venue box office the day of the event. You must bring your confirmation e-mail receipt, picture ID, and the credit card used to purchase the tickets online. Without your picture ID and either the e-mail receipt or credit card used to purchase the tickets, you may be denied entry to the event and no refund will be issued. Will-call name changes cannot be made within 3 business days of the event date.

By choosing UPS 2nd Day Air, it does NOT mean that your tickets will arrive two days after processing your order. Your tickets will be shipped out approximately two weeks prior to the event; however they could be shipped earlier. If you have not received your tickets within one week of the event date, please email tix@musictoday.com immediately and we will happily assist you. Orders shipped by UPS cannot be delivered to PO Box addresses. Entering a PO Box address may cause a delay in delivering your tickets and/or extra shipping charges. If any shipped orders are re-routed after they have been sent, there is an additional fee.

If an order is refused at the time of delivery and the tickets are returned to Musictoday, LLC, these tickets will be placed at will-call at the location of the event. Only the individual who placed the order may pick up the tickets. Please note other pickup and delivery instructions in the section below.

Internet Service Providers (ISP) have tightened their definitions of SPAM. As a result, your ISP might categorize an email confirmation from this site as potential spam and filter it into a "Bulk" folder or a predetermined "SPAM" folder you define. If you place an order and do not receive your email confirmation in your Inbox, please check in these areas before contacting customer support. Read our help page for more information about how to adjust your "SPAM" filters.
